

BlueCamroo Release Notes 1.9.8

March 23, 2010

Welcome

These release notes provide a detailed overview of small improvements made for March 2010.

If you have any comments on these changes or wish to suggest a future change, please [visit our forums](#).

What's New in BlueCamroo?

This release features a number of small improvements. Most notably, we've added several new menu items under Personal Preferences.

Choose Your Landing Page

First page to display

Leads	Details
Accounts	Projects
Contacts	Messages
Opportunities	Contact Roles
Projects	Team Members
Cases	Messages
Page Size	10

Under **Setup | Personal Setup | Personal Preferences** you can choose which page should initially be display when you click on

an instance of a lead, account, etc. For example, by default if you click on a lead, you are shown a list of activities for the lead. If you select **Detail**, you will be shown the lead's **Detail** page.

Note: Your landing page change only takes effect after you've logged out and then back in.

Page Size

Under **Personal Preferences** you can now select how many instances of the object you wish to display on your landing page. For example if you select 20, you will see 20 leads on your Leads home page.

Working Hours

Working Hours

	Sunday <input type="checkbox"/>	Monday <input checked="" type="checkbox"/>	Tuesday <input checked="" type="checkbox"/>	Wednesday <input checked="" type="checkbox"/>	Thursday <input checked="" type="checkbox"/>	Friday <input checked="" type="checkbox"/>	Saturday <input checked="" type="checkbox"/>
Start	00:00	09:00	09:00	09:00	09:00	09:00	10:00
End	00:00	17:00	18:00	17:00	17:00	17:00	01:00

Under **Personal Preferences** you can choose use the new working hours matrix to define your core work days and hours. Setting your starting hour affects the default start time of an event. Setting your ending hour affects the due date time of a task. ◆
